We don't even know
M... Mister...
Each other's names...
Put such an immense amount of effort into caring for me?
Why would this person
I've been thinking all this time.
You should probably keep your stay with me short.
I have no memories of my past... And I know nothing about his past, either...
But!
My body and soul know how kind he can be!!!
Mister Apothecary... You saved my life!
